Please contact me ASAP with any reassignments necessary.

Please use and respond to your tactical designator. Use your FCC call-sign at the end of each series of transmissions.

**EMERGENCY TRAFFIC ALWAYS HAS PRIORITY. PLEASE STAND BY UNTIL THE EMERGENCY HAS BEEN HANDLED.**

Please keep track of and relay to GPC Net Control:

- The arrival of the first GPC cyclists through your location
- The number of anyone who requires medical attention and their disposition.
- The numbers of anyone who drops out at your location and needs a SAG. Please report when the rider is picked up and the SAG number that is providing transportation.
- The numbers and times of the last cyclists departing your location.
- Please remember radios, batteries, paper, writing instrument, appropriate clothing for the weather changes, hat, sunscreen, water, food, etc.

Thanks for volunteering and have a great day.  
Randy KA6BQF, Stanton Gleason KD6SWU
