THE EMERGENCY TELEPHONE NUMBER FOR THE EVENT, TO BE MONITORED BY NET CONTROL, IS 415 328 9846; each cyclist and volunteer has this number.

As backup in an emergency, Doug Slusher's cellphone is 415 747 4175. Michael's cell # 415-519-2201.

Please use and respond to your tactical designator. Use your FCC call-sign only at the end of each series of transmissions. (Your callsign will be the equivalent of "clear" or "out.")

**EMERGENCY TRAFFIC ALWAYS HAS PRIORITY. PLEASE STAND BY UNTIL THE EMERGENCY HAS BEEN HANDLED.**

There will be EMTs at Start-finish as well as at Rock Springs, Point Reyes Station, and Laguna School. The latter three will also have "Quick Response Vehicles" prepared to take EMTs out on the course if needed. There will also be an ambulance staged at Woodacre.

Because of their longer shifts, lunch will be delivered to Apple Garden Farm and Laguna School. All operators will be given wristband/tickets to the excellent and abundant food and beverages at Stafford Lake after their shifts. (That's in lieu of swag); just check in at Net Control. And please remember to keep Net Control free of friendly chatter.

SAG drivers, stand by for specific instructions on your staging area. SAG riders, stand by for individual instructions on linking up with your drivers. All SAGs please stop by Net Control to check out your equipment bin (and return it at the end of your shift. Michael K6MLF will proceed along the course to the top of the BoFax grade at Ridgecrest. David KM6DVH, proceed along the course to the bottom of the BoFax grade at Alpine Dam. Both David and Michael will leave Stafford Lake before 7am.

**Please keep track of and relay to Jensie Gran FondoNet Control:**

- The times of the first five riders through your location
- **The time when Jensie (the founder, Black Bib #1) enters/leaves your location**
- The number of anyone who requires medical attention and their disposition.
- The numbers of anyone who drops out (scratches) at your location and their disposition (do they have transportation?)
- The description and times of the last few riders departing your location.
- The entry and departure of course manager (Stephanie in the Jensie-wagon,) SAGs, and the final sweep.
- Please remember radios, batteries, paper, writing instrument, appropriate clothing for the weather changes, hat, sunscreen, water, food, etc.

Thanks for volunteering and have a great day!
